
Changes in Zetron, Inc. Leadership Team

Redmond, WA, U.S.A., April 8, 2016 - Zetron, Inc. announces the appointment of Brent Dippie to the position of President and CEO as of April 1, 2016. He replaces Ellen O'Hara, who will move to the position of Chairman of the Board of Zetron and Board Member of EFJohnson. Brent has been the Chief Operating Officer and Senior Vice President of Zetron for the past ten years and has served the company in various roles of increasing responsibility since 1989. He graduated cum laude with a B.A. degree in Finance from Washington State University and later obtained his CPA.

About Zetron

Zetron has been designing and delivering communications systems for mission-critical control room since 1980. Zetron's integrated solutions combine IP-based dispatch, NG9-1-1 call-taking, voice logging, IP fire station alerting, CAD, mapping, video surveillance and security solutions, and automatic vehicle location (AVL) systems. They are expandable, interoperable, and able to support remote and geo-diverse operations. Zetron backs its products with technical support and project-management services known for their expertise and responsiveness. Zetron has offices in the United States, the United Kingdom, Australia, and numerous field locations; and a worldwide network of resellers, system integrators and distributors. Zetron has installed thousands of systems and over 25,000 console positions worldwide. Zetron is a wholly owned subsidiary of JVC Kenwood Corporation. For more information visit: www.zetron.com.
