

Fire Grants Help

Obtain funding for projects with our complementary grant finding service.

Zetron's partnership with FireGrantsHelp.com provides our customers a free service where we match available grants for your critical communication needs. If desired, our customers can even receive grant application assistance at significant discounts from FireGrantsHelp. Get started today for free!

This partnership offers you:

Access to Grantfinder & Grant Alerts

- Free access to a comprehensive database tracking over 10,000 grants and offering \$600 billion in funding.
- Alerts for grants relevant to you as they become available.

Coaching & Grant Application Consult

- Customers are assigned to a grant manager with expert knowledge about the application process.
- Free consultation calls to coach through the selection and application process.

Discounted Grant Writing Services

- If needed, Fire Grants Help offers professional grant writing services to support applications for an additional cost.
- Zetron's partnership with Fire Grants Help means customers can receive 50% off of professional grant writing services.
